This information was produced by responsAbility Investments AG and/or its affiliates (“responsAbility”) with the greatest of care and to the best of its knowledge and belief, and is being furnished on a confidential basis to members of the Global Impact Investing Network solely for informational purposes.

This information is expressly not intended for persons who, due to their nationality or place of residence, are not permitted access to such information under applicable law. The financial product specified in this information is and will not be licensed for distribution in the United States of America. As a result, it may not be offered, sold, or delivered there. The distribution of the Issue Document and the offering of the Shares and Notes may be restricted in certain jurisdictions.

responsAbility provides no guarantee with regard to the content and completeness of this information and does not accept any liability for losses which might arise from making use of this information. The source for all information mentioned herein is responsAbility unless mentioned otherwise. Any data is purely indicative and is not a guarantee for future results. The opinions expressed in this information are those of responsAbility as of May 2018, unless otherwise specified, and are subject to change at any time without notice. Unless otherwise indicated, all figures are unaudited.

By furnishing this information, responsAbility is not offering to sell any securities or making a solicitation of an offer to buy or sell securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the laws of any such state or jurisdiction. The recipient is in particular recommended to check that the information provided is suitable for his/her own circumstances with regard to any legal, regulatory, tax or other consequences, if necessary with the help of a professional advisor.

This information is for the exclusive use of the recipient and may not be reproduced without the express written permission of responsAbility. Every investment involves risk, especially with regard to the risk of loss of the entire investment and the risk of fluctuations in value and return. Investments in foreign currencies involve the additional risk that the foreign currency might lose value against the investor’s reference currency. Past performance, historical returns and financial market scenarios are no guarantee of future results.
